[Billion-Dollar Fund Manager: Gold To Hit \\$2,000, Dow To Sink To 5,000](#)

I'm not a gold broker or dealer, but Americans worried about hyper inflation and a dead dollar are diversifying some of their portfolio into gold --- which is scarce as a hound's tooth right now. However, the hottest gold coin right now is the [Austrian Philharmonic](#). This is a pure one ounce of gold.

"The FDIC's deposit-insurance fund is already at a historically low level, with roughly \$1 backing every \$100 of insured deposits. One concern among several government officials skeptical of the idea is that it could be politically impossible to reduce the insurance ceiling after the crisis subsides.

"The FDIC insured roughly \$4.5 trillion in deposits as of the second quarter, and had \$45 billion in the actual fund."
