Dear Rep. Rappaport:

I read your September 11, 2009, post on Dr. Orly Taitz' web site regarding your recent meeting with William Gardner, New Hampshire Secretary of State.

As time is a valuable commodity, I am forwarding you a file which I hope will assist you in expediting the matter with Secretary Gardner.

Anyone who has spent even a minimal amount of time on the issue of Obama aka Soetoro's citizenship has to come to grips with the fact that a huge fraud has been perpetrated against the American people.

I have been hounding two U.S. Attorneys to convene a grand jury to indict him for wire fraud under federal law. Obama/Soetoro ran for the office of president knowing full well he was constitutionally ineligible. He solicited campaign funds via television, radio and the Internet to the tune of over \$600 million dollars.

Next comes a request for a federal grand jury to look into fraud committed by Nancy Pelosi and Alice Travis Germond, Secretary National Convention, also for fraud. No one is above the law.

Regardless of the pain involved, it must be corrected or our Constitution means nothing. The longer this fraud continues, the worse the crisis will be as the usurper continues to sign legislation into law and sends our finest to die in foreign wars without any legal authority.

Thank you for stepping forward on this difficult path for the truth.

Cordially,

Devy Kidd
